In Memoriam

Timothy Doyle

A year ago I saw
A bird fly in the sky.
It looked so
peaceful and so free
I wasn't afraid to die.

Now I see two birds
flying higher in the sky
singing a melody.
They look so
peaceful and so free
I'm still not afraid to die.

Tim, I love you
and I miss you
But I'm not worried for
you're with Mom now.

By,
Kimberly Doyle

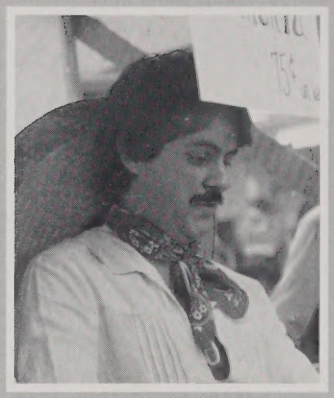
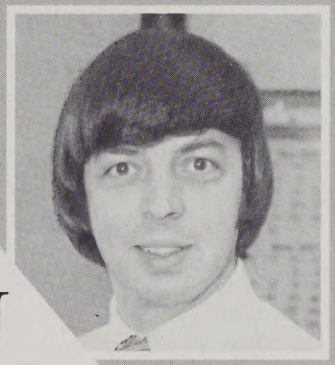
"Would you know my name, if I saw you in Heaven?? Would it be the same, if I saw you in Heaven? I must be strong and carry on. 'Cuz I know I don't belong here in Heaven. Would you hold my hand, if I saw you in Heaven? Would you help me stand, if I saw you in Heaven? I'll find my way, through night and day. 'Cuz I know I just can't stay here in Heaven. Time can bring you down, time can bend your knees. Time can break your heart, have you begging, "Please," begging "Please". Beyond the door, there's peace I'm sure. And I know there'll be no more tears in Heaven. Would you know my name, if I saw you in Heaven? Would you be the same, if I saw you in Heaven? I must be strong and carry on. 'Cuz I know I don't belong here in Heaven."

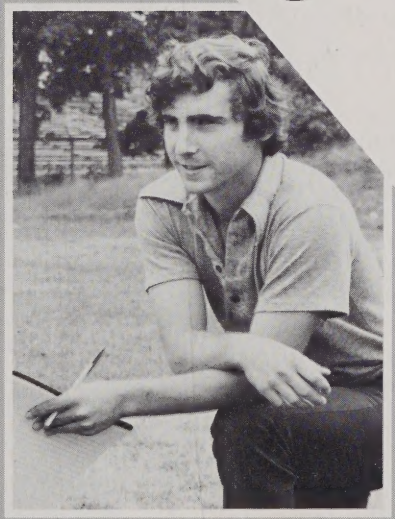
Taken from Eric Clapton's "Tears in Heaven"

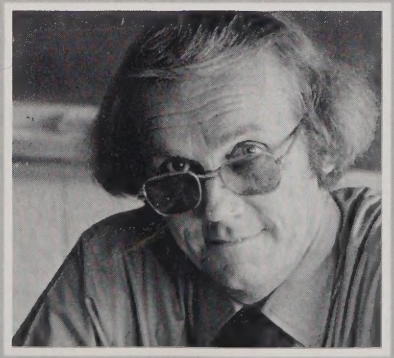
WE WILL MISS YOU.

FACULTY









Retirees

The class of '92 wishes to thank James Burke, James Quinn, and Frank Calf for their undying and devoted service to Walpole High School. These men retire with us, and without them WHS would not have been the same. Mr. Quinn taught us from algebra and the FOIL method to trigonometry and SOHCAHTOA. Mr. Burke coached us in gym and took our complaints of bad weather and tummy aches. Mr. Calf cleaned up after our spills and messes. Again, thank you for your service. The graduating class of 1992 salutes you.

1992 marked the year for the first girls' lacrosse club ever at Walpole High. With the help of Jennie Cantrell the girls were able to make successful improvements throughout their season. The team played on a club level against many varsity and junior varsity teams both in the league and non-league. The team experienced 1 win against Winchester, but most importantly they experienced a feeling of unity.

The club also had to raise all the funds to buy their sticks, shirts and helmets.

The Staff diligently working in the "pit."

The 1992 Yearbook staff worked diligently throughout the year to meet their various deadlines with the publishing company. The staff got to a late start but made up for it with their "stick-to-it" attitude and determination. Advisor Jenny Cantrell oversaw all layouts and copy editing as well as encouraged the staff to do their best. The staff chose "Backward Glance" as a theme, inviting students to take a journey through the past. Due to their hard work and dedication, the end result was a successful and organized yearbook for Class of 1992.

BOYS' CROSS COUNTRY

Jack Dwyer runs to a first place finish in the Bay State Conference Meet.

For the 1991 regular season, the Rebels went 11-0, winning another Conference championship. The Rebels began their season without any competition as they breezed by Brookline, Milton, and Needham. Their first challenge was against Natick, where the Rebels were victorious by a score of 24-33. This same meet, Jack Dwyer broke Mike Scalan's six-year course record by nine seconds with a time of 13:47. The only other challenge came against Norwood, when both teams were undefeated. This victory decided the Bay State Conference Herget Champions.

In post season action, Jack Dwyer, Mike Welsh, Max Delaney and Tim Sweeney all placed in the Bay State Conference Meet to become League All-Stars. Walpole was again victorious in the Eastern Mass. Division 3 State Meet as Jack Dwyer placed second and Mike Welsh placed ninth, clinching the title. At the Division 2 All State Meet the Rebels placed first, unprecedented in Walpole Cross Country history. Dwyer placed second and Welsh ninth to aid in the win. Dwyer was then named as a Boston Globe All Scholastic and Coach Jim Erker was named Division 2 Coach of the Year.

Dwyer continued his success by competing in the Kinney Cross Country Northeast Championships in New York. There he placed fourth and qualified for the Kinney National Cross Country Championships in San Diego. Jack concluded his great season by becoming the 28th best runner in the country.

GIRLS' CROSS COUNTRY

1991 marked the first year that Walpole High School had a girls' cross country team. This first team consisted of eight girls who ran to a record of 5-5 in the Bay State Conference. The team was headed by sophomore Katie Gallahue as captain and freshman Claire Kelley as the team's number one runner. Walpole won their first meet of the season and made Rebel history with a 24-31 win against Brookline. Claire Kelley led the Rebel girls to five more victories against Dedham, Natick, Wellesley, and Framingham. Claire also finished the season with a personal first-place record of 9-1 to conclude the regular season meets.

In the post season, Claire Kelley continued to show her dominance by becoming the first Rebel girl to become a Bay State Conference All Star. She also placed eighth in the Division 3 Eastern Mass. Meet and went on to place ninth at the Division 2 All State Meet. The Rebel girls will be back again next year for a second season as a team at Walpole High.

Many good things were expected of this year's Porkers. They had a terrific season with a record of 17-0-1, and were the Herget Divsion Champs. The lone tie came against New Bedford, and the loss was to Dennis-Yarmouth in tournament play. The season game to an end three games short of another state championship. The tie to New Bedford in a nonleague game was quite an upset. The second shocker came in postseason action, against lon-standing rival Dennis-Yarmouth. The 1991 season ws the first time D-Y had lost to Walpole. But the Porkers did not go down without a fight, as the game was an outstanding match of talent. Tied 0-0 at the end of regulation time, the Porkers lost in sudden death overtime. This year Walpole had six players to represent them in the Bay State League All-Star game. They were Molly Malloy, Dana Mandel, Erin Platukis, Dawn O'Connell, Amy Tripp, and Stacey Cassidy. Other contributing seniors were Steph DeChellis, Christine Cronin, Tish Malloy, Melissa Hood, Gema Diaz, Betsy Low, Jen O'Connell, Shelley Barnes, and Kristen Conti.

FOOTBALL

1991 was a very successful season for the gridiron Rebels. Many milestones were reached, including Coach Lee's 200th career victory at Walpole High. Also the 1991 Rebels wre the first team to finish the season with a record of 12-0. The Rebels were ranked #1 in New England by the coaches of the area. They were voted as 17th in the nation. Because of a new experimental format, there was no superbowl this year rather divisional playoffs. Walpole played Lincoln-Sudbury in these playoffs at Boston University. They defeated L-S by a score of 27-7 to be awarded the Division IIB Championship.

Because of last years successes, the Rebels had some big shoes to fill. Early on in the season there were some doubts as to the ability of these boys- could they repeat?? Coach Lee said it was their hard work and dedication to the weights during the off-season that made them so good. He said he had never seen a team so closely-knit. Togetherness was a definite key to success this year. Great job guys!!

Captains this year were Brian Crowell, Alfredo Palumbo, and David Godino. Other contributing seniors were Mike Peck, Dan Smith, Jeff Ross, Mark Wallrapp, Shawn Famigletti, Dave Compagnone, Ryan Saulnier, and Nate Cox.

Individual All-Stars went out to Jeremy MacNutt, Mike Lawrence and junior Brian Kelly. Those sent to the state tournament were MacNutt, Laurino, Todd, Mike Crisafi, Brian Kelly, and Rick Leardo. They beat Duxbury in the first round 3-2 with a thrilling overtime victory before losing to Wellesley in the second round 4-0. The team was captained by Kenny Collins, Dennis Connelly, and Dan Rowe. Alongside the three captains were six seniors: Dan Ciavattone, Dave Holland, Chris Larkin, Jason Manfredi, Tom Parlon and John Santos. The All-Stars for the Bay State League were Scott Friedholm, and Dan Rowe, with honorable mentions going to Ken Collins and Jeff Hemman and Mike Wholey. GIRLS' SOCCER

The 1991 Girls' soccer team finished out the season with a 5-8-2 record. From the beginning, the team knew they had some big shoes to fill, having lost 10 out of 11 starters from the previous year. But the ambitious team was ready for the challenge and started the season off to a great start, including a 1-1 tie versus powerhouse Rockland. Bad luck kept the team from tournament action. The latter half of the season was plagued with near-misses, "almosts", and ankle injuries. The team was captained by Katie Marzelli, Kim Doyle and Cheryl Weber. Other seniors included Kathy Kelly, Jen Cyr, Amy Frisbee, and Kristen Ricciardelli.

VOLLEYBALL

Kerry digs the opponent's spike.

The volleyball team experienced a disappointing season and were eliminated from tournament qualification early in the season. Senior co-captain Denise Palleiko stood out as one of the finest in the Bay State League. After last year's success story, many team members went to summer camp, building high expectations for this year's team. However, things were slow to materialize, and most of the losses were close matches. The team started two seniors, two sophomores and two freshman, leaving a strong nucleus for next year, when some of the close matches will be reversed. Palleiko was named both Bay State League First Team All-Star and Daily Transcript All-Star. Monica Rudolph won Second Team Bay State League All-Star recognition.

BOYS' BASKETBALL

The 1991-92 Boys' Basketball Team started their season with optimism and dedication. However, their final record of 6-16 was an overall disappointment. This year's team was comprised of seven seniors, including Co-Captains Jeremy MacNutt and Brian Chase, as well as Tom Larsen, Charles Griffin, Nathan Cox, Maurice Seay and Matt McCrave. Highlights of the season included the final games of both the Oliver Ames and Rebel Roundup Tournaments, as well as the win over Dorchester. Underclassmen included Jeff Hemman, Brian Melansen, Sean Cunningham, Tim Sweeney and Eric Brown. Award winners on Coach Byron's squad included Bay State League All-Star Brian Chase (first team), and Jeremy MacNutt and Maurice Seay (second team). The team was led by four seniors: tri-captain Molly Malloy, tri-captain Dawn O'Connell, tri-captain Erin Platukis and Amy Tripp. Throughout the 22-game season, the Rebels recorded both exciting and disappointing endings. Some were exciting overtime victories. Others were disappointing blowouts. Highlights of the season include Coach Brainard's 300th win, the 10-game winning streak between Jan. 17 (at Canton) and Feb. 18 (vs. Sharon). The Rebels concluded their season with a loss to Case in the sectional tournament quarterfinals.

The team featured many underclassman including: Karen Tarbell, Nicole Woodson, Christine Doyle, Jill Civattone, Shan Canrell, Katie O'Leary, Kerri Sullivan and Kristen Stumpo. Award-winners include: Bay State Player of the year Erin Platukis, Second Team All-Stars Molly Malloy and Kerri Sullivan and Daily Transcript All-Stars Erin Platukis, Molly Malloy and Kerri Sullivan.

ICE HOCKEY

The 1991 Hockey team was led to an exciting season by senior captain Brian Crowell. Their record was an impressive 13-7 with season highlights culminating and entrance into post-season tournament. Unfortunately for the Rebel Ice-men, they lost the first game of the tournament to North Quincy in double overtime by a score of 2-1. Ironically, the Rebels beat Framingham by a score of 5-1 in regular season play, and the Flyers went on to win the State title in DI Hockey.

Seniors this year were Geoffrey Keenan, Pete Nixon, Brian Sullivan, Jayson Petroni, Brian Crowell, and Joe Pendergast. Those who were selected to the first team all-stars for the Bay State League were Neil Yonker, Brian Crowell, Jayson Petroni. Second Team all-stars included Scott Friedholm, Pete Nixon, and Bay State Goalie of the year Jayson Petroni. Transcript all-stars are Brian Crowell, Jayson Petroni, Scott Friedholm, and Neil Yonker.

INDOOR TRACK & FIELD

Jack Dwyer coasts to another long distance win.

Dan Rowe runs to a first place finish in the 1000.

Scott Palleiko sprints to victory in the 600.

The '91-'92 indoor track season was by far a very successful one for the boys. The team went 4-3 overall and were 3-1 in the Herget Division. This was the first winning season for the boys since 1987.

Throughout the season, the boys' team produced several outstanding performances. Senior Jack Dwyer broke the school indoor record in the two mile, previously held by Gary Giffen at 9:38.2, with a time of 9.33.8 at the Dartmouth Relays, placed first in the two mile at the Class C Meet as well as first in the All-State Meet, and was ranked in *Track & Field News* with the fourth fastest two mile time, 9:33.8, in the country. Senior MVP Scott Palleiko placed second in the 600 at the Bay State Conference Meet and placed fifth in the 600 at the Class C Meet. Also, Junior MVP Dan Rowe earned a first place finish in the 1000 at the Conference Meet and Junior Keith Jacobson, who received the Most Improved Award, accomplished a fourth place finish in the mile at the Conference Meet and a sixth place finish at the Class C Meet. Sophomore John Cachedi rounded out the boys' top performances by placing fourth in the mile at the Conference Meet and second in the mile at Auerbach Developmental Freshman-Sophomore Meet

The girls' team wasn't as successful as the boys finishing the season with a 0-7 record. Freshman MVP Meghan Dwyer led the team with several outstanding performances. At the Auerbach Meet, she took top honors in the 1000, placed second in the 1000 at the Conference Meet, and she placed fifth in the 1000 at the Class C Meet. Another strong runner for the team was sophomore Laurie McDonough who placed sixth in the Conference Meet and sixth in the two mile at Auerbach Meet.

At the conclusion of the season, Laurie McDonough, sophomore Paul Reynard, and junior Kathleen Woodson received this year's Coaches award for their extra efforts throughout the regular season.

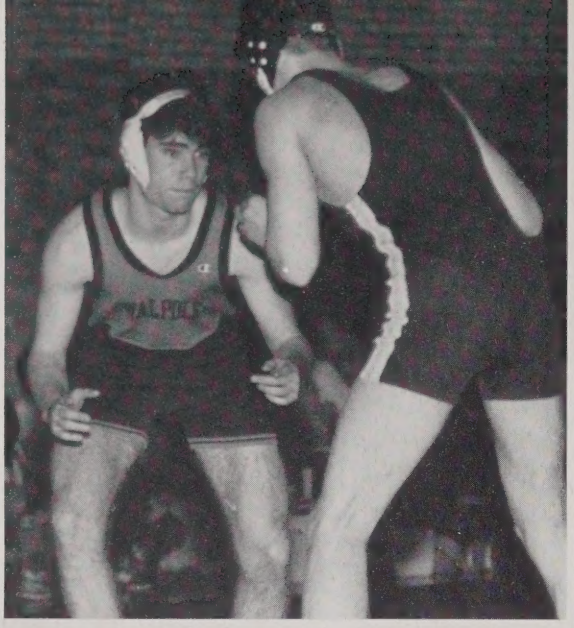
WRESTLING



James looks to make his move.

This year's varsity wrestling team had one of the youngest and most inexperienced lines in Walpole history. Consisting of only three seniors (capt. John Spillane, John Pember, and Mike Peck), and a handful of juniors, Walpole High was in for a rough year. Fortunately a large contingent of talented freshmen and sophomores filled the vital spots that were open in the starting lineup. Some of the outstanding underclassmen wrestlers included: Mike Lamonica, Justin Eldridge, Timmy Davis, Miles Soto, Joe Obin, Damian C'Connell, and Mike Power. Although all seemed lost, Captain John Spillane and coaches Brian Cherella and Barry Greener worked hard with the kids until everyone could hold his own in the brutal world of high school wrestling.

BASEBALL

Scott makes the throw to first from short.

The 1992 Rebel Baseball team finished the regular season with a 17-5 record. The boys had an additional win against Duxbury, but lost to Oliver Ames, by a score of 3-2, in the second round of the post-season tourney. Although the team was not picked to win their division, much less the league, by the Coaches Poll, the Rebels managed to do both. Senior captain Danny Smith was quoted as saying that this year was definitely a team composed of "comeback kids". Six of the Rebel wins came in the seventh inning, one was clinched in the eighth, and one in the ninth. Three of their four regular season losses were only by a total of four runs - thanks mostly to the awesome defensive play led by Senior captain Brian Crowell.

Offensively, Tommy Larsen and Dan Smith were the pitching staff. Matt Holland helped with a record of 4-0. Tommy won the league MVP, with a record of 7-1, and an ERA of 1.73. Danny's regular season record was 6-2, with his own save against Natick. The team's overall ERA was 2.03. Jeff Taglienti had the only save of the year. Brian Lambert was also an asset on the field with his base-running expertise. Mark Wallrapp was known in center field for his guns and hardly anyone dared to run on him.

The team was captained by four seniors; Brian Crowell, Dan Smith, Tom Larsen and Mark Wallrapp. Other contributing seniors were Geoffrey Keenan, Jim Doherty, Ryan Saulnier (3rd base coach), Steve Marshall, and Jayson Petroni. Bay State League All Stars were Mark, Brian, Dan, Tom, and Scott Friedholm. Tommy was league MVP and team MVP, as well as recipient of the Frank Wall Memorial Award. He also had three game-winning hits during the season, as well as a Herald All-Scholastic Award.

Some season highlights included the second game against Natick when the Rebs won by a score of 2-1 in nine innings. In this game Brian Crowell threw out three people and Greg Turco made an amazing catch in right-center to end the game. Coach Tompkins said he has never seen a catch like that one before. Another great game was vs. Framingham when, with two outs and the score tied, Dan Smith smashed a 385-foot grand slam to win the game.

The only disappointment was the early loss to Oliver Ames in the beginning of the tournament. Better luck next year guys.

SOFTBALL

A meeting on the mound with Molly and Tish.

The 1992 softball rebels were defending South Section Champs. This title proved to be too big of a burden for this years team. The regular season record was 14-6, with an additional loss in the first round of the tournament to Canton. Despite great efforts near the end of the season to keep the team going, the rebels were not able to pull off a repeat year.

Season highlights came sporadically during the year. The first highlight was in the second game, against Braintree. The rebels won 5-2, beating the league MVP Michelle Boisvert. In the twelfth and thirteenth games, the team beat Milton and Norwood by one run each-13-12 then 2-1. The final highlight came with the second Brockton game. It was a nine inning, three hour victory.

Seniors that captained the team were Molly Malloy, Tish Malloy, and Amy Tripp. Other contributing seniors were Cheryl Weber, Erin Platukis, and Kristin Fitzgerald. Bay State League All-Stars were, First team; Amy Tripp, Cheryl Weber, and Karen Tarbell. Second team was Molly Malloy.

GIRLS' OUTDOOR TRACK & FIELD

Kathleen Woodson battles for the lead with Judy Collins.

Once again our young girls' track team had their troubles in the regular season, ending it with a record of 1-9. Throughout the season there were many school records broken by Claire Kelley, Judy Collins, Meghan Dwyer, and the 4x400 relay team, Claire, Judy, Meghan, and Lynn Giesecke made up that team.

During the post season the girls continued to break their own records. The team placed third overall at the Class C Meet in Foxborough. During the meet Judy Collins placed third in the two mile. Both Claire Kelley and Kathleen Woodson placed first and second respectively in the one mile. Meghan Dwyer placed first in the 800 and the 4x400 relay team placed sixth. At the All State Meet at Bridgewater State college, both Claire Kelley and Judy Collins placed in their events to qualify for New Englands.

The team finished the season with an overall record of 18-2, which earned them the Herget Division title and the #1 seed in the Division 1 South Sectional tournament.

One of the highlights of the season was a win over Brookline after losing to them the previous week.

Other players on the Varsity were Kelly Norton, Kim Maloney, Nicole Woodson, Kate Nixon, Jill Saunders and Alissa Saunders. The Junior Varsity consisted of Lyn Walsh, Jessica Rice, Catherine Healy, Laura Cork, Gayle Fasanello, Jen Lougee and Erin Gaffney.

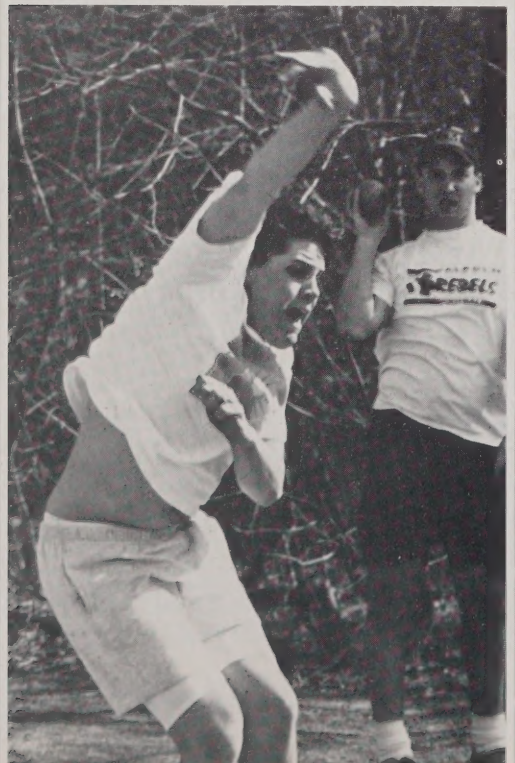
BOYS' OUTDOOR TRACK

Jack Dwyer runs yet another mile

Mike Peck hurls the shot put with all his might.



The Walpole High School Boys' Outdoor Track and Field team concluded their season with a 3-7 record. The major reason for the disappointing season was the numerous injuries suffered by several key competitors.

During the post season, Walpole had a few standouts, including Scott Palleiko and junior Dan Rowe, who tied for fifth place in the 400. Corey McGrath also placed, coming in sixth in the javelin. At the Class C meet, sophomore John Carchedi placed third in the two mile by breaking the ten-minute barrier at 9:57.7. Junior Dan Rowe also placed fifth in the 800 meter race.

At the beginning of the season, the future didn't look too promising for the Rebels. There were only two seniors, co-captains Brian Hampe and Jeremy MacNutt, and not much varsity experience. But the boys' team proved their critics wrong. They had a fantastic season, going 12-6 and placing second in the Herget Division. Especially impressive were the freshman-sophomore team of Alan Weatherbee and Josh Langmead at first doubles. Dubbed the Comeback Kids midway through the season for their string of come-from-behind victories, the duo holds much promise for the future. The future also looks bright for junior Keith Jacobsen, who played at second singles, and for the doubles team of juniors John Allan and Jeff Hemman. MacNutt and Hampe, at first and third singles respectively, carried the team to the second round of the tourney with their leadership and fine play. Although the team lost 5-0 in the second round to an undefeated Sharon team, there are a lot of good things for Coach Grant to look back on about this season and look forward to about next season.

ONE-ACT PLAYS

In May, three one Act plays were performed in a presentation entitled, "Perceptions '92". The uniqueness of the one-acts was the fact that each play was student-directed, and in the case of one, student-written. Adam Foley, a junior, directed "Overtones" a story of two rich women and their respective consciences. Senior Mike Duffy directed "The More the Merrier" about the intertwining lives and pasts of two engaged couples. Junior Dan Tobin both wrote and directed a sequel to last year's play, entitled "The Struggling Actor", it followed the footsteps of an inspiring actor, from age five to twenty-five.

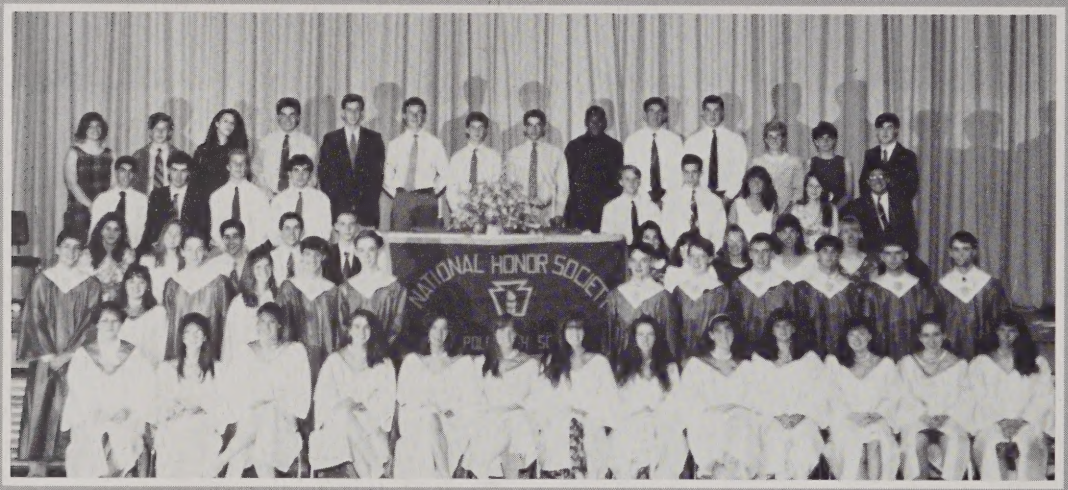
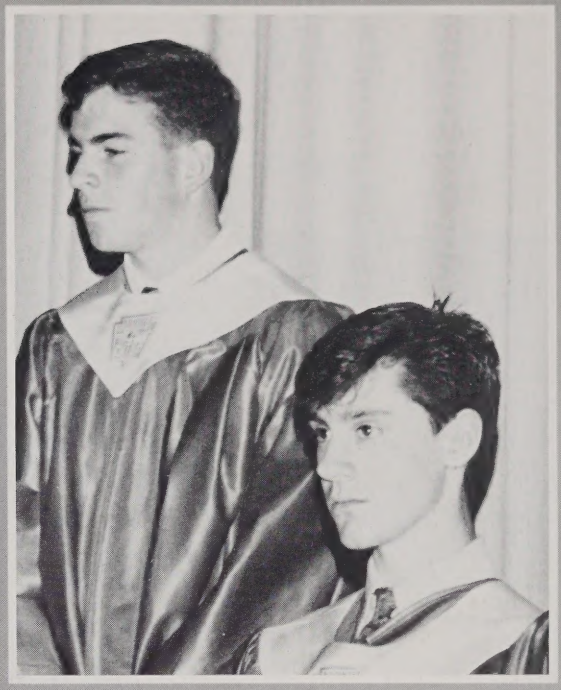
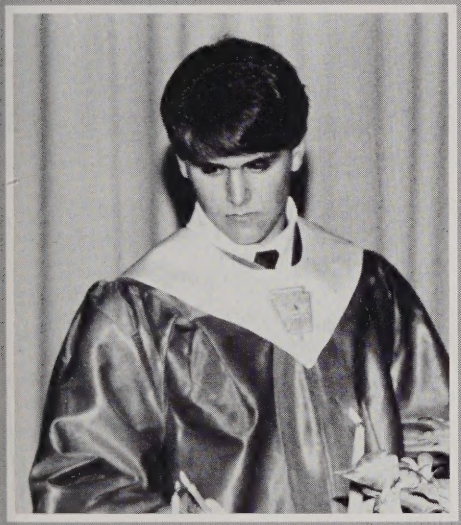
NATIONAL HONOR SOCIETY INDUCTION CEREMONY



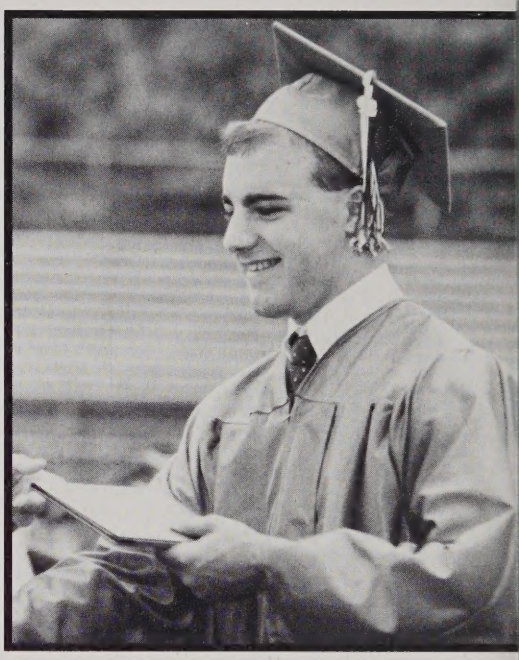




COMMENCEMENT CEREMONY
JUNE 7, 1992

Monica is all smiles as she receives her diploma from Dr. Burgess.

On a hot, sunny day, the 118th graduating class stood before the world. It was a day of reflection for the 173 graduates, as well as a day to look to the future. Amid the "Congratulations" and "Best of luck" were scattered tears, shouts of joy and hugs to keep for remembrance. Most of all, it was Our Day, a day to recognize all we had accomplished in four years at Walpole High School.



Brett proudly accepts his diploma from M
Dalton.

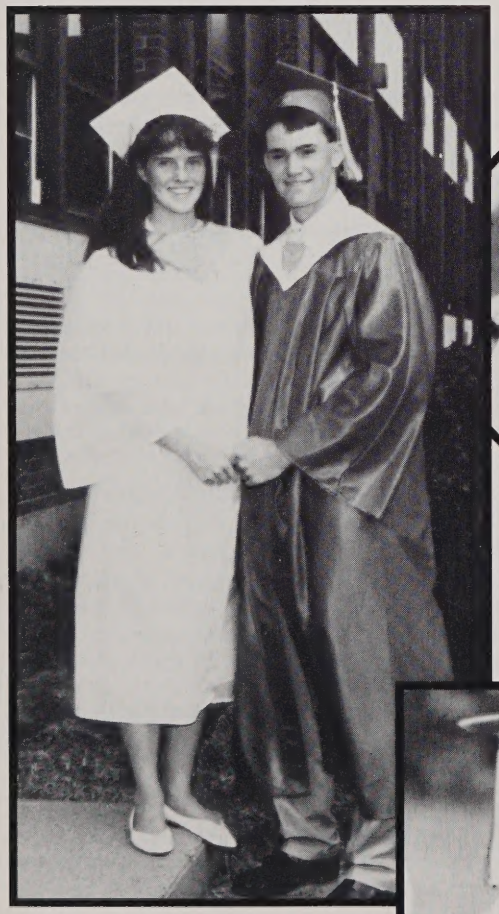
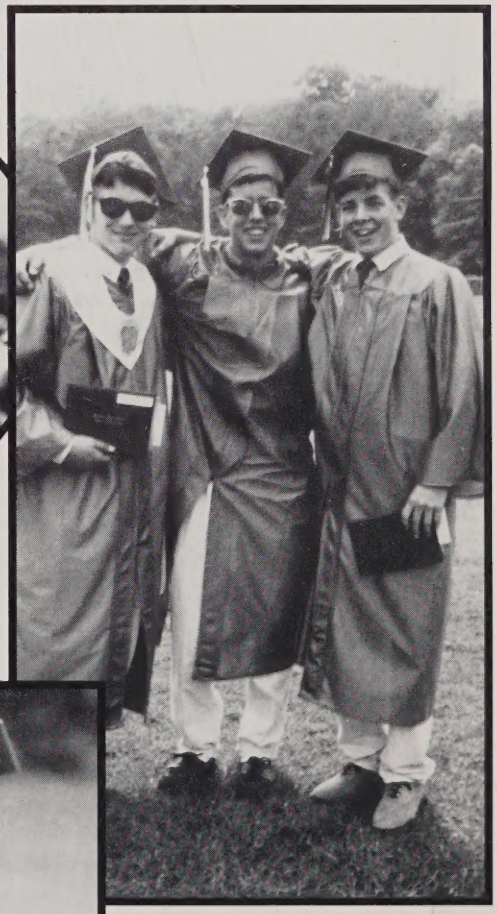
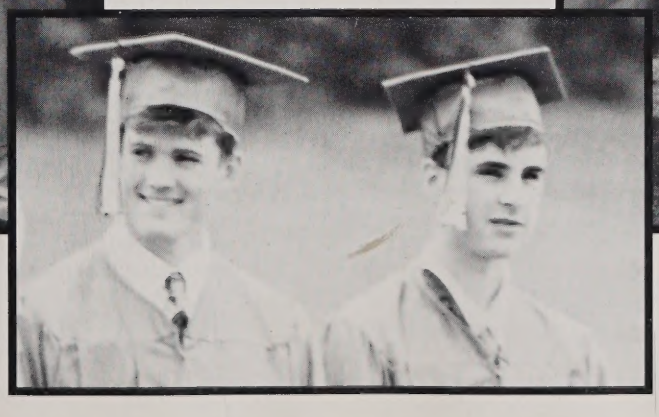
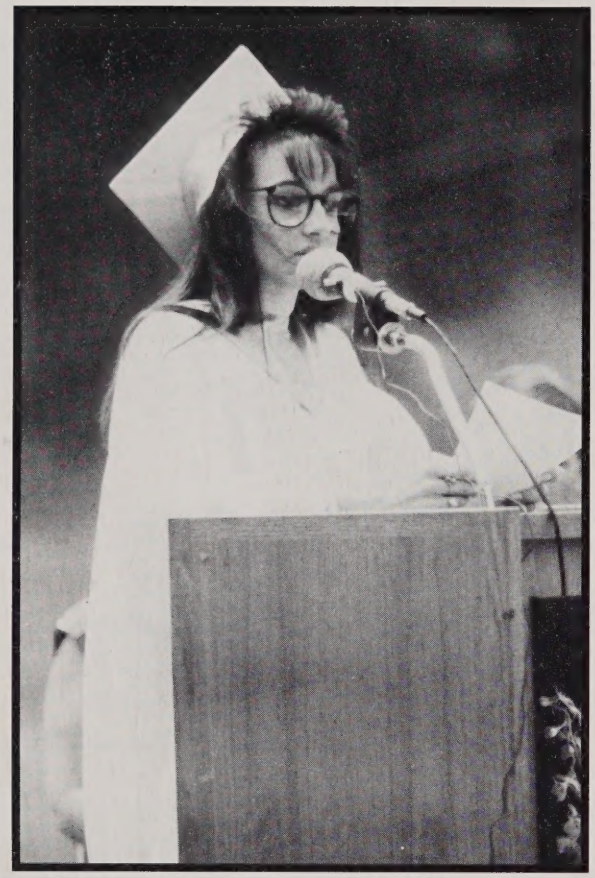
"IN EACH OF US THERE IS A LITTLE OF ALL OF US"







VALEDICTORIAN: KIM DEVITO



What makes the human race so fascinating is that of the millions in existence, no two are the same. Each one of us is unique in that we affirm different values and beliefs, and express different emotions - all of which form the foundations of our characters.

Throughout high school during the difficult years of development, many of us experience a struggle with identity, in a continually changing environment where so little is certain and so much is in doubt. Consequently, many fail to establish who they really are; so much time is spent in trying to be accepted that there is a tendency to do as others do despite the fact that we don't think as others think.

As a result, the class becomes segregated and we are drawn into small groups in which many pretend to be someone they are not. There are those who remain on the outside of the circle and wonder why they don't quite fit in. The fact of the matter is that everyone fits in; many of us fail to recognize that each of us is different; we look different on the outside and feel different emotions on the inside. However, standing out is not always acceptable and therefore, whether consciously or not, we strive to be like all the rest and if unsuccessful in our efforts, stand apart from the crowd.

There is an anonymous poem that alludes to the importance of man's individuality. It is entitled "The Man in the Glass" and reads:

"When you get what you want in your struggle for self
And the world makes you king for a day,
Just go to the mirror and look at yourself
And see what that man has to say.

It isn't your father or mother or wife
Whose judgment upon you must pass.
The one whose verdict counts most in your life
Is the one staring back in the glass.

He's the one you must satisfy beyond all the rest,
For he is with you right up to the end.
And you've passed your most difficult test
If the man in the glass is your friend

You may be the one who got a break
Then you may think you're a wonderful guy.
But the man in the glass says you're only a fake
If you can't look him straight in the eye.

You may fool the whole world down the pathway of years
And get pats on the back as you pass,
But the final reward will be heartaches and tears
If you cheated the man in the glass."

Here is an identity crisis in the "struggle for self". Though you may be king for a day; though you may be satisfying others, those efforts become meaningless and futile if you have not been true to yourself. It makes little difference what others think of you, for the most important opinion is your own.

We've spent 12 years of our lives together - growing psychologically and sharing many of the same experiences; embellishing the happy ones and enduring the unpleasant ones. Because of this, we all have a part of our lives that we can look back upon as memorable. We work so diligently at trying to be accepted that, as a result, in a sense we are all the same at the surface, regardless of our inner qualities.

At the deepest level, however, for reasons unknown there sometimes is a sense of disunity and fragmentation within us during high school. As time progresses, we all experience more of what life has to offer and "in each of us there truly is a little of all of us." Unlike high school, where we are only similar on the outside, there is a genuine likeness within us and we realize that all are equal.

As we mature we come to appreciate the individuality that makes each person special and it becomes easier to accept differences.

That is why it is so important to stay true to yourself. Though friends may come and go, the man in the glass will be with you to the end. The true test of success in life comes from within and you've passed your most difficult test if the man in the glass is your friend.

SALUTATORIAN: JENNIFER O'NEIL

Well, we made it. We're at the end of our long journey, the day of commencement, and most of us are feeling a mix of emotions. Some may be riding on a surge of adrenaline, ambitious freedom coursing through the veins, while others may sit in dumbfounded euphoria, still amazed and relieved that high school has officially ended. Some may already be feeling the melancholy, misting at the eyes, searching through the past, while others may be fearful of what lies ahead, of what the future holds.

We began our journey four years ago, as timid freshmen in the foreign world of high school. We stumbled around the school, searching for our own niche, to ensure forthcoming stability and happiness. By sophomore year, we had garnered class spirit, had been shown the ropes, and were confident. Junior year is the year for what I refer to as "the instantaneous maturation" process because immaturity had grown tiresome and maturity a subsequent necessity. We received our official introduction to the atrocities of SAT's and the "afterlife" of high school: College and the "real" world. Senior year was the culmination of both events and emotions. Today we stand at a brief plateau in life, looking to the past for wisdom and experience as well as to the future as a source of hope, the place where our innermost aspirations can be reached.

Together we endured it all. We have experienced what will probably be the single most influential period of our lives. For four years our lives were intertwined. I look back and see the symbiotic relationships we had as we both learned from, and depended upon one another.

Just when the "cloning syndrome" appeared to reach maximum levels, we began to test the waters. This was a time of life when the consent of our peers was being contested, when we strove to be individuals within the microcosm of high school. We each learned to accept and assert our individuality, while maintaining the spirit of youth that binds our class as one. For many of us, that change to independence has affected not only the relationships among our peers, but also within the home, as the traditional values of our parents were being replaced by the new, contemporary values of our generation.

Each of us has changed so much during our journey together, and many of us leave Walpole High School a very different person than the one who entered four years ago. Looking out at this sea of faces, I am compelled to think of our class motto: "In Each Of Us There Is A Little Of All Of Us".

Today we stand as a class. The Class of 1992 stands before the world as a diverse group of people. Yet we all wear the same caps and gowns, we all feel the same mix of emotions, we all walked through the same hallowed halls of Walpole High School for four years. We journeyed through high school together.

We are a class that is blessed in our diversity of interests and personalities. We are comprised of scholars, athletes, musicians and artists. We stand as future writers and teachers, engineers and electricians. It matters not our future professions, only that we achieve happiness within them.

On Commencement Day, many people speak of success. Yet today is a success only if we ourselves are happy with what we have achieved. Otherwise, the diploma is a blank and meaningless piece of paper. Success is not a measurement of power, wealth, or prestige, it is an inward assessment made concerning our individual worth to society. I stand before my fellow classmates, proud of all our accomplishments and achievements. But I cannot deem this day as a day of success - only the individual can.

Poet Muriel Strode once said, "I will not follow where the path may lead, but I will go where there is no path, and I will leave a trail."

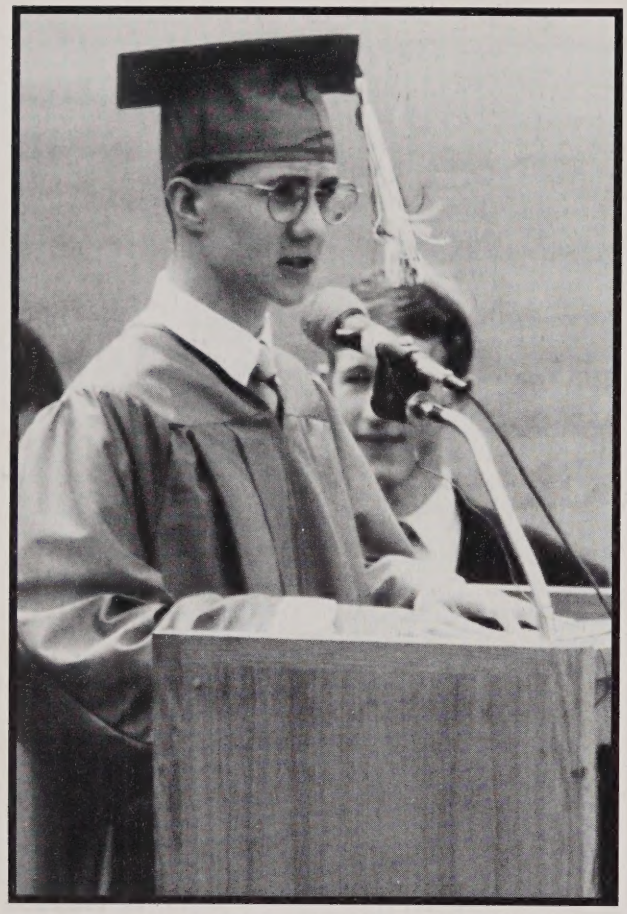
As a member of this graduating class, I will pass on to you, the same advice that I myself have received. Starting with today, and for the rest of your life, establish your own path in life, according to your heart's desires, and build a life of happiness for yourself. This truly is the secret of success.

Today our journey has come to a close, and now it is time to acknowledge each and every person, teacher, coach and friend who gave unselfishly to us in the form of encouragement, counsel, or prayer.

We have received so much from our parents, as they have both raised and nurtured us from the start of our lives. Today is their day too, as I doubt there is a single parent who is not proud of what we, their children, have achieved. Let us take time today to thank them for their continual love and support.

Good luck in all your future endeavors, class of 1992. May God bless each and every one of you.

CLASS PRESIDENT: CHRIS VLAHOS



Good afternoon. On behalf of the Class of 1992, I would like to welcome the parents, clergy, the School Committee, Honored Guests, Faculty and Staff, and fellow classmates.

In September of 1988, we entered this school considerably smaller in physical stature, but with enormous amounts of spirit and optimism. Looking back, this day in June seemed too distant to even think about. Graduation Day. The word "Graduation" is defined as: a series of gradual, successive stages; a systematic progression. Certainly, all of us have had many new experiences and changes in our lives since that first day Freshman year.

As Freshmen, we arrived from middle school, expanded our circle of friends, and worked together adjusting to our new environment.

Sophomore year seemed more comfortable. Our surroundings became familiar and our friendships secure. We looked for, and took on, new challenges in the classroom, athletics, art, drama, and a host of other extracurricular activities.

Between the second and third years we grew physically, we filled out those lanky bodies, got our drivers licenses, and sought more independence.

Junior year, more cars appeared in the school parking lot. Career exploration became an important focus. We started to consider our goals in life. The college search began, we attended college fairs, and took the SATs.

Senior year: College applications, essay, decisions to make, more growth ... mentally, physically, socially.

We have indeed gone through these "Stages". Through it all we have come together as an extended family supporting each other in good times and bad, in the classroom, on the field, and in our personal lives. We were there for each other. "In Each Of Us There Is A Little Of All Of Us" because of our mutual respect and support.

Now the time has come for major changes in our lives. I am confident that we will succeed and will fulfill our dreams. I recently read this saying and I thought I would pass it on to you today:

> Success is to be measured not so much by the position one has reached in life, as by the obstacles which he has overcome while trying to succeed.

My wish for each of you is the strength of character and the love of life which will help you to overcome the obstacles that get in your path, and I wish you the JOY in your success .... Thank you.

The Class of 1992 presents the School with a carved granite sign saying, "Welcome to Walpole High School, Home of the Rebels." A PROPHETIC LOOK AT OUR GRADUATES ...

The Yearbook Staff, an inquisitive and insightful bunch, spent weeks in an effort to track down each graduate, several years after Commencement. Their journeys measured across the globe, and their hard work has generated a report that is both surprising and inspiring, as many WHS graduates are famous, many wealthy, and all are successful in their own pursuits of happiness.

MONICA ABRUZZESE is keeping busy with her position at Brigham and Women's Hospital, where she is a psychotherapist to children who are victims of abuse and neglect. Residing in her Chestnut Hill home, Monica is happily married to longtime High School sweetheart Jim Brewer, and a mother to twin boys.

DANIELLE ARENDA, a freelance photographer, has garnered fame and fortune for shooting the cover shots of such well known magazines as *Rolling Stone*, *Vogue*, *GQ*, and *People*. Her studio is located in the San Francisco Bay area, where she resides with her boyfriend and pet parrots.

SHELLEY BARNES is a struggling actress in the Big Apple, where she works part-time as a cocktail waitress in "Gigi's" Italian restaurant. Shelley has done several dishwashing detergent ads for television as well as a two-month stint on the daytime soap opera, *As The World Turns*.

After traveling as a short-order cook in Tibet, teaching English to natives in Brazil, photographing most of Europe and Asia, managing a newspaper in Melbourne, and then working his way across the northern Pacific on a cattle boat, DAVID BARRON has settled down to recount his experiences as an author/book editor in his native Massachusetts.

DENISE BARSKY, advice columnist for the *Chicago Tribune*, was recently seen on national television accepting the coveted Pulitzer Prize for her latest novel, "Why Me?", a historical account of international scapegoats in politics.

In her spare time, Kristen paints and draws, gaining a little extra spending cash, as her artwork sells for thousands of dollars apiece.

The dedicated Mrs. C - both advisor and friend.

To the Class of 1992,

It's hard to believe we spent four years of your lives together at Walpole High School. This year's Yearbook Staff tried very hard to capture memories from September of Freshman year to June of Senior Year. Each page has the special trademark of one of the many dedicated members of the Yearbook Staff.

This is my opportunity to publicly thank everyone who lent support in this year-long task. On behalf of the entire staff I would like to thank Mrs. Jenny Cantrell for her faithfulness, encouragement and advice. She came to the rescue, as we were without an advisor for the initial month and a half of school. "Mrs. C", we couldn't have done it without you!

I hope you enjoyed your "Backward Glance" graduates, as you journeyed through the memories that shaped our lives.

Good luck and God Bless.

Jen O'Neil
